Re: District 7610 Simplified Grants for 2009-10

District Simplified Grant Applicants:

Greetings from your District Simplified Grants Committee - we would like to remind you that the deadline for District 7610 Simplified Grants for **RY 2009-2010** is fast approaching: **August 1, 2009**.

What is a District Simplified Grant?

The District Simplified Grant (“DSG”) program supports service activities and humanitarian endeavors in which our District 7610 wishes to engage. DSGs are funded solely by District Designated Funds, and true to its name, each district gets to set broad guidelines each year. **The total for District Simplified Grants for the 2009-10 year will be \$39,000, up from \$28,000 in the 2008-09 year!** Remember, it is *your contributions to the Annual Fund* that make up the DSG funds – and we thank you for your support.

How do I apply, and what’s the process?

The District Simplified Grants Application for 2009-10 will be posted on the District website (rotary7610.org). You can start submitting your application in July, 2009. Please submit your completed, and properly signed, DSG application to **Ray Petniunas, Chair for D7610 Simplified Grants**, 3213 Duke Street, Suite 810, Alexandria VA 22314, Tel. (703) 212-4926, Fax (703) 212-4925, e-mail **petniunas.urc@verizon.net**.

So, what are the criteria for District 7610 Simplified Grant?

In addition to the general terms and conditions that apply to ALL Rotary International grants, our District has set the following guidelines for RY 2009-10. This year, each Rotary Club in District 7610 may apply for **DSG of up to \$1,500, for a new community service project in our District, or for an international humanitarian project**. We encourage you to get together with other Clubs in your community to put your resources together!

Please survey your community to see what needs exist. Almost any project may have an element of humanitarian value, but consideration will be given to the extent of *active* Rotarian participation in developing and maintaining the project, the population and benefit to those served, the value to the community, and the project’s potential to increase the ability of groups or individuals to better participate in their society. For example:

1. **Community Projects**: Consideration will be given to the length of time the project may be used, the numbers that it will serve, the need that it satisfies, and the service that it provides to the community.

2. Health Projects: Projects that offer relief, or preventative measures, to those who may suffer handicap and health related illnesses are usually always acceptable and they are easily judged in view of the Rotary International guidelines and policies.
3. Education Projects: Projects that offer assistance to improve or supplement education in a meaningful way are usually acceptable.

What are some of the issues when designing the project?

- **Project must be completed by May 1, 2010**: DSG project must be completed within one year. For our District, we request that Final Report be submitted by May 1, 2010.
- **Project must be new**: DSG project must be a new project, and not a project that your Club has done in the past, or has been doing annually.
 - For example, if you received DSG for a project last year, you cannot use the same project this year. However, in another example, you may have helped with distribution of math books to a school a few years ago, but this year’s proposed project will distribute English dictionaries this year to the same school – such a project would be considered “new.”
 - Please note however, that you may find a “new project” within the framework of an existing, ongoing, annual event. For example, you may hold a Dictionary Distribution during your annual community festival. That specific project would be considered new, even though it takes place within the bigger context of an annual event sponsored by your Club.
- **Project must involve ACTIVE Rotarian participation; funds cannot be used as pass-through to another organization**: Rotarians must be actively engaged in various phases of the project. This may include project planning, item purchasing, execution of other parts of the project, publicity efforts, etc. The project must not be a simple pass-through, whereby grant funds are simply awarded to another organization.
- **Project must NOT fund the following**:
 - Building of any structures (houses, schools, work places, etc.), or any structures attached to such structures (hoses, plumbing, electricity lines, etc.);
 - Administrative expenses of another organization;
 - Stipends of any kind; and
 - International travel costs (plane tickets, train tickets, etc.).
- **Rotary Club must file Progress Report by 1/1/10, and the Final Report by 5/1/10.**

Some examples of past projects include:

Year 2006-07	Rotary International Grant No. DS 62605, District 7610 Simplified Grants for Rotary Year 2007-08	Amount Awarded
Alexandria RC & Kaunas RC	Physical Rehab Equipment & Training Materials (Physical Rehabilitation Equipment and Training Materials for Underprivileged Children)	\$1,000

Questions?

Please do not hesitate to call or e-mail me if you have any further questions. I look forward to seeing your exceptional humanitarian projects that will come our way this coming Rotary year (2009-2010)!

Yours in Rotary Service!

Ray Petniunas, Chair District 7610 Simplified Grants 2009-2010

[Tel (703) 212-4926, Fax (703) 212-4925, e-mail petniunas.urb@verizon.net]

Please see below for DSG Application for 2009-2010.

DISTRICT SIMPLIFIED GRANT (DSG) APPLICATION

IMPORTANT INFORMATION ABOUT APPLICATION SUBMISSION

The DSG Fund total is approximately \$39,000 for 2009-10. Applications will be reviewed and grants for qualifying applications awarded by September 1, 2009. Grants of up to \$1,500 will be made to qualifying clubs for community projects in District 7610 and for international humanitarian projects. Award will be based on competitive review of all applications.

PDG Travis White, DRFC Chair

Frequently Asked Questions:

- When is the deadline for the application? Applications must be received by the District Grants Reading & Evaluation Committee by **August 1, 2009**.
- Where do I submit questions and completed and properly signed DSG application? **Please submit the questions or application to Raymond Petniunas, Chair for D7610 Simplified Grants, 3213 Duke Street, Suite 810, Alexandria VA 22314, Tel. (703) 212-4926, Fax (703) 212-4925, e-mail: petniunas.urc@verizon.net**
- Can our Rotary Club start the project while the application is pending? No. We'll work diligently to let you know ASAP!
