District Receives Paul Harris Cup for Its 2010-11 Annual Giving

Traveling trophy recognizes District's outstanding *per capita* giving to the Foundation.

District 7600, our good neighbors to the south, recently congratulated District 7610 for winning the first annual Paul Harris Cup, resulting from 2010-11 per capita giving of \$203 compared to \$167 for District 7600.

The Paul Harris Cup was conceived of last year by District 7600 Annual Giving Chair Ken Frantz as a friendly competition to encourage additional giving to the Rotary Foundation Annual Programs Fund, which in turn provides Rotary clubs in both districts with more resources to serve their communities and the world through the programs of The Rotary Foundation. The friendly challenge between the Annual Programs Fund Chairs from District 7600, Ken Frantz, and District 7610, Scott Mills, provided motivation to clubs in both districts. As a result, the two districts placed among the top 50 districts in per capita giving in the world. District 7610 ended the 2010-2011 year twelfth in the world and second in the United States in per capita giving.

Ken Frantz, last year's District 7600 Annual Giving Chair, presents the Paul Harris Cup to PDG Travis White, last year's District 7610 Rotary Foundation Chair.

Representatives from District 7600 will attend the District 7610 Foundation Banquet on November 5 to formally present the cup to District 7610. District 7600 Foundation Chair Bill Pollard also invited District 7610 Foundation leaders from District 7610 to attend the District 7600 Foundation Workshop on August 13th where Ken Frantz presented the Paul Harris Cup to District 7610's immediate past Rotary Foundation Chair, PDG Travis White. The Rotary clubs and Rotarians from both districts contributed over \$936,000 to the Annual Programs fund in 2010-11, WOW! The race is on for the 2011-12 Rotary year!

TRF Quick Tip: Presidential Citation Focuses on EREY Clubs

Clubs must be 100% EREY by March 31 to qualify for Presidential Citation this Rotary Year.

This year, RI President Kalyan Banerjee has incorporated criteria within the RI Presidential Citation that stress the importance of both membership and continued support of The Rotary Foundation. The foundation criteria focus on fund development for Annual Programs Fund, while the membership criteria emphasize growth in membership among women in Rotary, young professionals, Foundation Alumni, and a club's diversity of all members.

Clubs need to be cognizant that ***the requirements related to The Rotary Foundation have two components that must be met between 1 July 2011 and 31 March 2012:***

- 100% Annual Program Fund participation (every Active Member of the club personally contributes some amount to APF between 1 July 2011 and 31 March 2012), and
- The club's contributions to Annual Programs Fund must be at least \$100 per capita (based on membership start figures as of 1 July 2011, available after 31 October 2011).

The mandatory foundation components of the RI Presidential Citation criteria might at first appear to be the same as TRF's 100% Every Rotarian, Every Year (EREY) Club recognition program; however, the RI Presidential Citation has two critical distinctions: (1) The Foundation components of the RI Presidential Citation criteria must be met by 31 March 2012, and (2) TRF's 100% EREY Club program \$100 per capita calculation is based on the club's membership as of 30 June 2012 (whereas the RI President's Citation is based on the club's membership as of 1 July 2011).

"Early donations from all members, submitted well before the March 31 deadline, will be the key to a club's successfully completing The Rotary Foundation components of the RI Presidential Citation program this year," stressed District Rotary Foundation Chair/PDG Chuck Davidson. Davidson recommends that clubs focus on the key elements of the recognition criteria: (1) every member donates something to Annual Programs Fund, and (2) the club's per capita giving must be at least \$100. Davidson recommends that contributions be submitted before March 1 to ensure they appear on the club's EREY Eligibility Report before March 31, allowing the club to make the required certification to the District Governor by 6 April 2012.

Davidson also recommends that clubs have a "contingency plan" in place to address new members who join the club

Reach Within to Embrace Humanity

before 31 March. "Clubs should consider including The Rotary Foundation and giving to the Annual Programs Fund as part of their new member orientation. Ensure that you discuss the club's goals with new members when they join. Ask the new member to help the club meet its goal of receiving the RI Presidential Citation by donating \$100 to Annual Programs Fund before 31 March."

District 7610 Annual Programs Fund Chair Bill Jarrett also recommends that club consider including a voluntary donation of at least \$25 per quarter or \$10 per month on their regular dues invoicing as a suggested contribution. "More than 35 Rotary Clubs in District 7610 educate their members to the great work that can be done through our support of The Rotary Foundation, and these clubs regularly include voluntary contributions on their club dues invoices as one means by which members can elect to support The Rotary Foundation's Annual Programs Fund," said Jarrett.

Clubs must certify their compliance with the RI Presidential Citation criteria to the District Governor no later than 6 April 2012. Clubs that meet all requirements of the RI Presidential Citation program and are certified by the District Governor will receive a certificate of recognition signed by RI President Kalyan Banerjee.

Rotarians and Washington Nationals Hit a Home Run for Polio Eradication!

Hundreds of Rotarians attend July 30 Washington Nationals-NY Mets game to support PolioPlus.

Rotarians, family members, and friends from Rotary clubs in Districts 7600 and 7610 braved the summer heat to join with the Washington Nationals to hit a home run against Polio on Saturday July 30th. The Zone 33 Rotary Leadership Institute moved its summer meeting to Northern Virginia so that Rotarians attending the meeting from districts in Rotary Zone 33 could also attend the game. Approximately 800 Rotarians from 55 clubs attended the game. "This is the second year we've had this event." said District 7600 Foundation Chair Bill Pollard. "We really appreciate the efforts of the Washington Nationals to share a

part of their proceeds with Rotary's campaign to eradicate polio worldwide."

Several buses of Rotarians braved the heat and the traffic to be part of the historic game. Led by a three run, first inning homer by Jayson Werth (on Jayson Werth bobblehead night), the Nationals moved ahead 3-0 in the bottom of the first inning and then played exceptional defense to hold on for the victory.

"This is just another example of how our two districts have continued a long tradition of supporting each other, supporting Rotary programs, and working together to end this dreaded disease," said Vance Zavela, the District 7610 Polio chair who helped organize the event along with Bill Pollard and Megan Holeman, an Account Executive with the Washington Nationals. Both Vance and Bill commented on how much they appreciate the support provided by Megan in making the event a success.

Children of Rotarians, all wearing "End Polio Now" t-shirts, ran onto the field prior to the start of the game to participate in the *Starting Nine* ceremony. The Nationals invited Vance Zavela to make the traditional "Play Ball" announcement standing on top of the Nationals dugout. Rotarians manned an informational booth throughout the game. District Governors Jim Bynum of District 7600 and Jon Allan of District 7610 were in attendance, as were a number of other district officials. The Nationals recognized those clubs in attendance on their scoreboard.

The Nationals set aside a block of tickets for Rotarians to purchase tickets to the game and agreed to donate \$5 for each ticket sold from the block to The Rotary Foundation for polio. Based on 800 tickets purchased from the block, the contribution from the Nationals will be \$4,000. Now that's a home run for Rotary!

Former TRF Trustee Vice Chair Ron Burton Selected as RI President for 2013-2014

One of the chief architects of the Future Vision Plan, will lead Rotary into a new era.

Ron D. Burton, a member of the Rotary Club of Norman, Oklahoma, is the selection of the Nominating Committee for President of Rotary International in 2013-14. Burton will become the president-nominee on 1 October if there are no challenging candidates.

Burton retired as president of the University of Oklahoma Foundation Inc. in 2007. During his tenure, the University's endowment grew to more than \$800 million and the University experienced its most dramatic era of growth in new construction, funded through gifts he helped to solicit.

He is a member of the American Bar Association, as well as the bar associations of Cleveland County and the state of Oklahoma. He is admitted to practice in Oklahoma and before the U.S. Supreme Court.

"This is an exciting time to be a Rotarian," Burton says. "I believe we are well poised to capitalize on our strengths as we embrace the [RI] Strategic Plan and the Future Vision Plan. My vision is to have every Rotarian appreciate what it means to be a Rotarian. With these two tools, we can make that happen."

Burton is one of the chief architects of the Future Vision Plan, and as RI President, will lead more than 34,000 Rotary clubs into a new era when the plan becomes effective for all clubs during his term as RI President.

Active in his community, Burton is a founder and past president of the Norman Public School Foundation, and founder and past board member of the Norman Community Foundation. A recipient of the Silver Beaver Award, he is a past vice president of the Last Frontier Council of the Boy Scouts of America.

Burton believes that Rotary's promotion of high ethical standards is one of the qualities that sets it apart from other organizations.

"It assures those dealing with us that we can be trusted," he says. "Most of us are in a business or profession that already has a code of ethics. Vocational service in Rotary just adds to that responsibility. We have an obligation to go above and beyond to make sure that all our actions are above reproach."

A Rotarian since 1979, Burton is vice chair of the Future Vision Committee and a member of the Polio Eradication Advocacy Task Force for the United States. He has served RI as director; Rotary Foundation trustee and trustee vice chair; International Assembly moderator, assistant moderator, and group discussion leader; delegate to the

1992 and 1995 Councils on Legislation; RI President's Representative to numerous district conferences; and district governor.

His other service to Rotary includes chair of the 2011 New Orleans Convention Committee, vice chair of the Investment Advisory Committee, liaison trustee of the Vocational Service Committee, Permanent Fund national adviser, and regional Rotary Foundation coordinator. He was aide to 2006-07 RI President William B. Boyd. While on the Board of Directors of Rotary International he served as Chairs of the Executive, Administration and Audit Committees.

Burton has received the RI Service Above Self Award and The Rotary Foundation Citation for Meritorious Service, Distinguished Service Award, and International Service Award for a Polio-Free World.

Burton and his wife, Jetta, are members of The Rotary Foundation's Arch C. Klumph Society. They have two children and three grandchildren.

YEAR

Their ancestors lived on the same land for more than 15,000 years before the British first came ashore at Jamestown. Today, their heritage and existence are at risk. Through a Simplified Grant from The Rotary Foundation, Rotarians in District 7610 came to the aid of our First Americans by helping to underwrite the educational film, *Virginia Indians: Reclaiming Our Heritage*, which includes curricula for teaching about Virginia Indians in school classrooms. The grant project also assisted with vehicle maintenance and medical needs of Virginia Indians. Rotarians are making a positive difference in the lives of Virginia Indians. This project was made possible through the gifts of Every Rotarian, Every Year. [Please make your annual gift today!](#)
