Please give a summary of your club projects to include the following information:

- ❖ How many Rotarians participated in the project?
- ❖ Did the project involve a district simplified grant or matching grant?
- ❖ How many people benefited from the project?
- ❖ Will the project continue as an annual or multi-year project?

Projects must have been completed between July 1, 2011 and April 30, 2012. You may also include information on projects that are scheduled to take place between May 1 and June 30, 2012. If submitting a joint club project, please list the name of the participating club. Please list the projects in chronological order and limit your submission to no more than six (6) pages.

Submissions must be received by the awards chair no later than May 6, 2012. You can submit via mail or email. Late submissions will not be accepted.
