It Really is a Wonderful Life, and Rotary is a Wonderful Gift to Give!

Ever wonder what the world would have been like without Paul Harris?

We thank our neighbor to the south, PDG Bill Pollard, for this warm holiday reminder about the wonderful life we all live through the gift of Rotary. —Editor

One of my favorite things about the holiday season is watching *It's A Wonderful Life*. I guess I can relate to George Bailey, a banker with some personal issues who doesn't make much money. The movie shares two important messages: the importance of friends and the positive impact each of us makes on the lives of others.

At the end of the movie, George Bailey finds a copy of the book *Tom Sawyer* that is a gift from his guardian angel, Clarence, who wrote in the book, "Remember, no man is a failure who has friends." Our membership in Rotary provides us with the opportunity to make

special and lasting friendships with Rotarians in our clubs, districts, and throughout the world. It is because of these friendships that we are able to work together to "do good in the world."

The movie also provides another powerful message: We all can make a difference in the lives of others. Even though George Bailey felt he was a failure and did not live the life he had dreamed of, he was provided the gift to see how his actions, no matter how simple or insignificant, made a difference in the lives of so many.

What if it had been Paul Harris standing on the bridge and his guardian angel showed him what the world would be like if he had never been born? Paul would have seen that polio would still be prevalent in the world and that there would be more hunger, poverty, and unhealthy living conditions. We are blessed that Paul Harris gave us the gift of Rotary—a gift we can share with others—resulting in a global family of friends working together in *Building Communities – Bridging Continents*.

Your support of The Rotary Foundation provides Rotarians all over the world with the resources to fight hunger, provide clean water and sanitation, reduce child mortality, promote peace, make education available for all children, and eradicate polio. What a wonderful gift!

Best wishes for a safe and joyous holiday season.

Polio Eradication Will Save Up To \$50 Billion Worldwide

New study in *Vaccine* estimates up to 5.4 million lives and \$17 billion saved through NID vitamin supplements

A new study estimates that the [Global Polio Eradication Initiative](#) could prevent more than eight million cases of paralytic polio and save US\$40 billion to \$50 billion, if the wild poliovirus is eradicated in 2012 or shortly thereafter.

Published online this month in the *Vaccine* journal, the study, "[Economic Analysis of the Global Polio Eradication Initiative.](#)" is based on actual and projected immunization costs and polio incidence from 1988 through 2035. Low-income countries would account for about 85 percent of the savings.

The study also estimates that the distribution of vitamin A supplements during National Immunization Days—the "plus" in PolioPlus—has prevented from 1.1 million to 5.4 million child deaths and saved between \$17 billion and \$90 billion in disease treatment costs.

"Polio eradication is a good deal, from both a humanitarian and an economic perspective," says the study's lead author, Radboud J. Duintjer Tebbens, of the nonprofit Kid Risk Inc. "The GPEI prevents devastating paralysis and death in children and also allows developing countries and the world to realize meaningful financial benefits."

The study focuses on 104 countries, most of them lower-income, that have directly benefited from the GPEI since 1988 through reduced polio treatment costs and the prevention of lost productivity due to disability.

Not included in the study are the substantial benefits that continue to accrue in countries that have eradicated polio. In

2006, for example, estimates indicated that the United States had saved more than \$180 billion because of its investment in immunization to become polio-free.

The study was produced by Kid Risk Inc., the Delft University of Technology, the U.S. Centers for Disease Control and Prevention, and the GPEI.

The incidence of polio has fallen by more than 99 percent worldwide since the GPEI began in 1988. Indigenous transmission of the wild poliovirus persists only in relatively small areas of Afghanistan, India, Nigeria, and Pakistan. Until eradication is complete, however, all countries remain at risk for the importation of the virus, as demonstrated by the polio outbreaks in Tajikistan and the Republic of the Congo this year.

By the time the world is certified polio-free, Rotary's contributions to the global eradication effort will exceed \$1.2 billion. In addition, Rotary has mobilized hundreds of thousands of volunteers in support of immunization activities.

Rotary also plays a leading role in soliciting financial support from national governments, which has amounted to more than \$8.2 billion since 1988.

"This entire initiative began because of the vision of Rotary International," says Margaret Chan, director-general of the World Health Organization, who calls the more than 1.2 million Rotarians "tireless partners in the polio eradication effort."

Rotary International's \$200 Million
Gates Foundation Challenge Goal

\$153 million
Total raised as of November 24, 2010

The Bill and Melinda Gates Foundation has given Rotary \$355 million in grants for its work to eradicate polio globally. In response, Rotary has committed to raising \$200 million between December 1, 2007 and June 30, 2012. Each Rotary Club is encouraged to raise from the community \$2,000 annually to meet this goal.

\$200 Million Polio Challenge

Four More Paul Harris Society Members in November!

Joan and John Renner, Allen Ramsay and Susan Bentley swell membership closer to District goal of 140

The Paul Harris Society of District 7610 counts among its membership some of the most generous, selfless Rotarians and friends of Rotary in our district. Members of the Paul Harris Society have pledged to donate at least \$1,000 to The Rotary Foundation Annual Programs Fund each year they are financially able. Many donate much more than that amount annually.

In November, four new members helped celebrate Foundation Month by joining the ranks of Rotarians and friends of Rotary who now number 120 members of the District 7610 Paul Harris Society. These newest Paul Harris Society members are:

- Joan Renner (Alexandria)
- John Renner (Alexandria)
- Allen T. Ramsay (Caroline County) and

• Susan Bentley (Crystal City-Pentagon).
Annually, donations from the 120 Paul Harris Society members help fuel District 7610's successful annual giving campaign, and those donations represent more than twenty-five percent of all District 7610 donations to The Rotary Foundation each year. Members of the Society come from 34 clubs in District 7610. Please join the leadership of District 7610 in expressing sincere thanks to these 120 generous Rotarians and friends of Rotary who annually commit to financially support The Rotary Foundation's mission to do good in the world. If you are interested in joining the Paul Harris Society, please complete the form, below, and mail it today with your contribution. Please help District 7610 reach its goal of 140 Paul Harris Society members by District Conference on April 7. Thank you.

Rotary Vision Quest: 200 Clubs in 200 Days

Over one-third towards her goal, Colleen Bonadonna raises awareness for Rotary's PolioPlus Campaign

Google "Colleen Bonadonna" and "Polio" and you are likely to get hundreds of responses to your query. That is because West Point, VA, Rotarian Colleen Bonadonna is on a vision quest to visit 200 Rotary Clubs in 200 days. In February 2010, Colleen and her son traveled to India to participate in a National Immunization Day. In addition to administering polio drops to ensure children will never be infected with polio, Colleen and fellow Rotarians visited an orthopedic hospital and saw how reconstructive surgery allows patients, crippled by polio as children, to walk out of the hospital for the first time in decades.

Rotarians all over the world are eradicating polio one drop at a time. Colleen and her fellow Rotarians are in a race against time—a race to inoculate the last few million children against polio, before that disease claims even one more life or cripples even a single, additional child. Colleen is helping in a very special way by visiting 200 clubs in 200 days, pledging to donate to PolioPlus the cost of the meals when she is a guest speaker at a club. Help Colleen reach her goal, while, at the same time, helping Rotary reach its goal of eradicating polio.

To read about Colleen's progress to visit 200 clubs in 200 days, visit her blog at: <http://200clubs200days.blogspot.com/>.

In Memoriam: Owen C. Shull

Reston Club's Charter President was Major Donor and an Arch C. Klumph and Bequest Society Member

Owen C. Shull, 77, a physician in Herndon for 39 years, died Monday, November 29, 2010. Owen grew up in Rotary. His father was a charter member of the Rotary Club of Herndon, which formed in 1935. Owen remembered as a child playing under the tables at Dranesville Tavern while the Rotarians held their meetings. He joined the

Rotary Club of Herndon and served as that club's President before heading up the project to start a Rotary Club in Reston. Owen served as the first President of the Reston Rotary Club in 1970. Owen was generous not only with his time, but in his commitment to financially support the programs of The Rotary Foundation. He was a Major Donor (Level Five), a member of The Rotary Foundation Bequest Society (Level Five) and an Arch C. Klumph Society Member.

In lieu of flowers, memorial donations may be made to [The Rotary Foundation](#) in memory of Dr. Owen C. Shull. Condolences may be mailed to PO Box 646 Berryville, VA 22611.

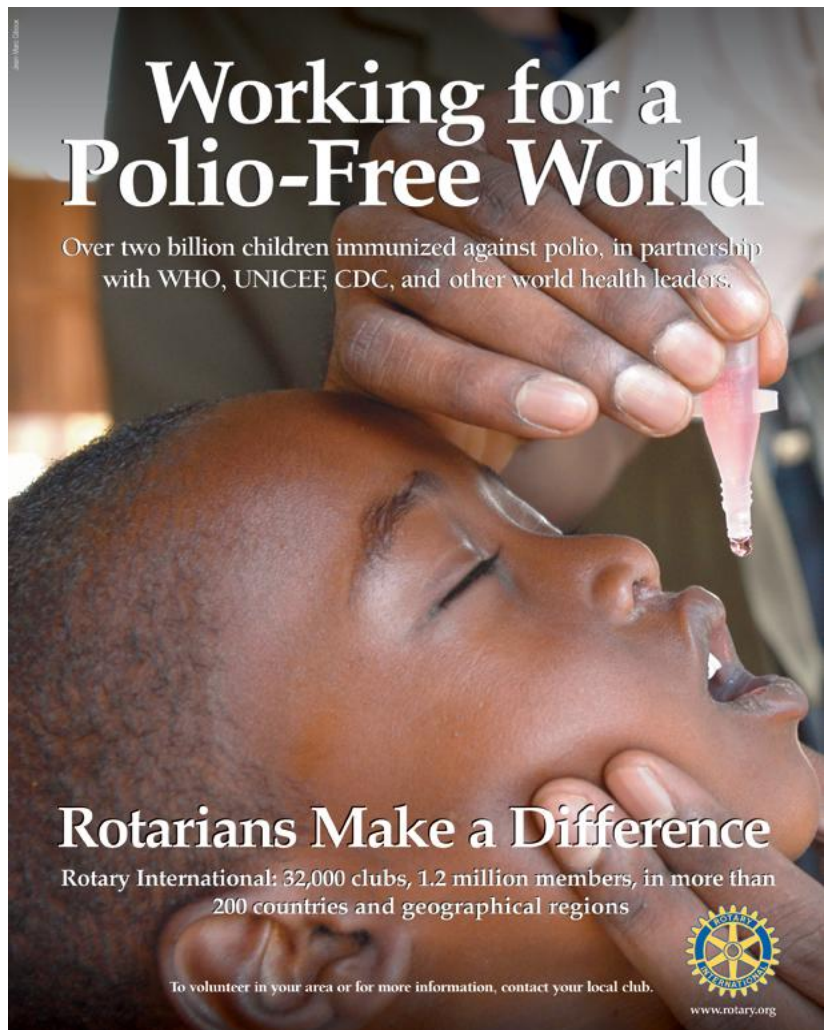

Online Contributions from 18-24 October Break Record !

\$3.3 million raised for PolioPlus in seven days.

During the week of 18-24 October, approximately \$3.3 million was raised in online contributions for PolioPlus. To honor World Polio Day on 24 October, The Rotary Foundation offered, for the first time, double [Paul Harris Fellow](#) recognition points for online-only contributions of US\$100 or more during that week.

The results represent a significant increase in online donations. To compare, \$660,000 in online donations to PolioPlus were made from January to September 2010.

As of 9 November, Rotarians have [raised about \\$152 million](#) for Rotary's US\$200 Million Challenge. These contributions will help Rotary raise \$200 million to match \$355 million in challenge grants from the Bill & Melinda Gates Foundation. The resulting \$555 million will directly support immunization campaigns in developing countries, where polio continues to infect, paralyze, and even kill children, robbing them of their futures and compounding the hardships faced by their families.

Foundation Quick Tip: IRS Tax Deadline is Perfect Time to Give to The Rotary Foundation

Help achieve this year's Challenge Goal of \$225 per capita

Traditionally, December is the highest giving month of the Rotary Year. Last year, District 7610 Rotarians donated more than \$95,000 in December, alone. If donations reach that amount again this year, District 7610 will remain on track to reach its Challenge Goal of \$225 per capita by June 30.

Here are some tips to ensure contributions are posted by the IRS tax-year deadline of December 31.

Perhaps the easiest way to make a contribution to The Rotary Foundation is by calling 1-866-9ROTARY (The Rotary Foundation Contact Center) and make a donation by phone using your credit card before December 31.

Other ways to give:

Mail checks, payable to "The Rotary Foundation" to:

The Rotary Foundation
14280 Collections Center Drive
Chicago, IL 60693 (enclose a completed [donor form](#))

Checks: Must be postmarked 31 December 2010 or prior **and** received by The Rotary Foundation by Wednesday, 5 January 2011.

Wire transfers: Must be initiated prior to 31 December 2010 **and** received by Monday, 03 January 2011.

Credit Cards Via www.rotary.org: must be **authorized** prior to 31 December 2010, midnight (CST).

Credit Cards Via Fax (847-556-2139): must be **received** prior to 31 December 2010, midnight (CST).

Don't get behind! Mail your TRF donations early.

Over 20,000 Recognition Points Still Available to Match Paul Harris Fellow Donations

Points are the equivalent of a two-for-one match on donations!

A very generous Rotarian contributed 45,000 Rotary Foundation Recognition Points to assist other donors in becoming new or multiple Paul Harris Fellows. Almost 25,000 points already have been claimed. During the months of December and January, these points will match donations of \$500 or more to the TRF Annual Programs Fund for new first-time or for multiple Paul Harris Fellows.

Points are available and are matched on a first-come, first-served basis. To be eligible for the match, a copy of the donor's completed [Rotary Foundation Global Contribution Form](#) should be sent to [Annual Giving Chair Scott Mills](#), c/o EBLG, 8405 Greensboro Drive, Suite 210, McLean, VA 22102, fax: 703.848.8333, or email: smills@eblg.com. Please send the original and the check directly to The Rotary Foundation. The donor must designate Annual Programs Fund on the Global Contribution Form. Only District 7610 donors are eligible.

Per Capita Giving Challenge Goal within Reach with a B-I-G December STRETCH!

\$95,000 needed in December to keep on track to meet Challenge Goal of \$225 per capita for 2010-11

Outstanding annual giving campaigns by several District 7610 clubs have put the District's per capita Challenge Goal of \$225 within reach again this year. If we all stretch, we will reach the half-way mark in December. To reach that mid-year goal, please give now. Currently, only 22 clubs are on target to meet their club goals, and only 11 have reached \$100 per capita. **Less than \$8,000.00 has been donated so far this month, compared to \$95,000 last December.** Please make your contribution of \$225 or more now. Call The Rotary Foundation Contact Center (1-866-9ROTARY) and make a credit card contribution.

Congratulations and thanks to these top-performing clubs whose members have helped fuel District 7610's annual giving success so far this year.

Clubs Owe a Duty to Donors to Send All Foundation Contributions by End of Year

Donors deserve to receive IRS tax receipts for their gifts to The Rotary Foundation

Your gift to The Rotary Foundation's Annual Programs Fund helps your neighbors at risk, whether they live around the corner or half-way around the world. Members who donate through their club dues have a reasonable expectation that their clubs will ensure their gifts will reach The Rotary Foundation in a timely manner.

When a club collects TRF contributions with club dues, it holds those funds in trust. **Clubs owe a fiduciary duty to donors** to ensure the donors receive their IRS tax receipts from The Rotary Foundation for the year in which they gave their gifts. The Foundation cannot send the receipt if the club does not send the donation to the Foundation.

Please use a [Multiple Donor Form](#) to send a single check representing donations from more than one member. That way, each member gets credit for each contribution. **Please ensure your club sends all contributions by December 31.**
