# Klinginsmith to Headline at PETS

Registration for March 4 Reception, Banquet, and Afternoon Electives Featuring Foundation Topics, Open to All Rotarians and Guests

Rotary District 7610 and Chesapeake PETS (President-Elect Training Seminar) are honored to host Rotary International President-elect Ray Klinginsmith at a reception and as the keynote speaker for the PETS opening banquet on Thursday, March 4, 2010, at 6:30PM at the Westfields Marriott in Chantilly, VA.

Klinginsmith will serve as RI President during the 2010-11 Rotary Year beginning July 1. An Active Member of the Rotary Club of Kirksville, Missouri, Ray has been a Rotarian since 1961 and is a former Rotary Foundation Ambassadorial Scholar.

RI President-elect Ray recently said, "I will have the special privilege of serving as the 100th president of our great organization. After 50 years, Rotary is still an exciting experience for me, and no one else owes a greater debt to Rotary. Therefore, I hope to combine my excitement, commitment and Rotary experience to be the kind of leader that Rotary deserves in its 100th president. After all, that is the least I can do because I was a Rotary Scholar!"

Chesapeake PETS also will host a series of electives on Thursday afternoon, March 4. The electives include: 1) "On Your Mark. Get Set. GROW! (parts 1 and 2)"; 2) "Get Organized!"; 3) "Club Leadership Plan"; 4) "The Rotary Foundation (an Overview)" and "The Rotary Foundation

Future Vision Plan"; 5) "Free Money, Just Ask! (Obtaining and Administering Rotary Foundation Grants)"; and 6) "District and Club Data Base (DaCdb)."

The electives will be presented on Thursday afternoon at 2:00PM, and most of the topics will be repeated at 3:30PM, giving attendees an opportunity to attend two separate topics. Learn more about the electives topics on the [Chesapeake PETS website](#).

*On-line registration for the reception and opening banquet with RI President-elect Klinginsmith (\$65) and for both sessions of the electives on Thursday afternoon (\$20) is open to all Rotarians and their guests. All incoming club officers and directors are encouraged to attend the electives.*

The registration fee for two sessions of

the electives is \$20.00. Tickets for reception and banquet honoring RI President-elect Klinginsmith are \$65.00 each. The on-line registration deadline is February 14; however, tickets are limited, and it is recommended that you register now if you plan to attend. Login to the District and Club Data Base via [www.rotary7610.org](http://www.rotary7610.org) to register. **No on-line registrations will be accepted after February 14.**

# 20,000 Points Available for Paul Harris Fellows

## 20,000 TRF Recognition Points Available to Make Paul Harris Fellows of Donors of \$500 or More

Rotary District 7610 is grateful to a very generous Rotarian donor who has contributed 20,000 TRF Recognition Points to assist other donors in becoming new or multiple Paul Harris Fellows. The points will match donations of \$500 or more to the TRF Annual Programs Fund for new first-time or multiple Paul Harris Fellows.

To be eligible for the match of Recognition Points, contribution checks, payable to "The Rotary Foundation," along with the donor's completed [Rotary Foundation Global Contribution Form \(123EN\)](#) should be sent to [Annual Giving Chair](#)

[Scott Mills](#), c/o EBLG, 8405 Greensboro Drive, Suite 210, McLean, VA 22102. The match will apply to donations received at the above address on or after January 15, 2010. The donor must designate Annual Programs Fund the Global Contribution Form to be eligible for the matching points. The match applies to both first-time Paul Harris Fellows, as well as existing Paul Harris Fellows whose donations will result in multiple PHF recognition. The minimum donation for eligibility for the point-match is \$500.00, and only matches in \$100 increments thereafter will apply to donations. Only Rotary District 7610 donors are eligible.

# Five Reasons to Support The Rotary Foundation

## Financial Support of The Rotary Foundation Empowers Fellow Rotarians to Do Good in the World

There are as many reasons to support The Rotary Foundation as there are ways to do good in the world. By [contributing to the Foundation](#), you advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. Here are a few ways your contributions are making change possible.

### 1. Give the world hope for \$2 per week

Foundation Trustee Chair Glenn E. Estess Sr. paraphrases Mother Teresa in explaining what keeps the Foundation going in the face of overwhelming need. "We must do what we can, where we are, with what we have," says Estess. "Through our Foundation, we are able to pool our resources and achieve even more. And the stronger our Rotary Foundation becomes, the greater the scope of the tasks we will be able to undertake successfully. We will be able to do far more good, in far more lasting ways." [Read more.](#)

By giving \$100 a year through the [Every Rotarian, Every Year](#) (EREY) initiative, you become a Rotary Foundation Sustaining Member. Contributions to EREY are the primary source of funding for Foundation programs. [Make a contribution now.](#)

### 2. Fight hunger

In Romania, orphans and sick children have eggs, milk, and meat because of a [Health](#),

[Hunger and Humanity \(3-H\) Grant](#) that benefits local farmers. The farmers buy everything from animal feed to packaging materials. There is one stipulation: They must donate a portion of their products to children's hospitals, schools, and orphanages.

In Alaska, the Rotary Club of Anchorage East is also [fighting hunger](#) by distributing food to low-income families through a mobile food pantry.

### 3. Reduce child mortality

The Rotary clubs of Jaela-Kandana, Sri Lanka, and Madras Northwest, India, are helping to reduce child mortality by providing improved sanitation facilities for 15 families in a small community in Sri Lanka. With a [Rotary Foundation Matching Grant](#), the clubs have built 14 toilets, helping to prevent diarrhea and other diseases related to poor sanitation. According to the World Health

Organization, 1.8 million children die of diarrhea every year, making it the second leading cause of death among children under five.

### 4. Promote peace and conflict resolution

Watching civil war tear apart his homeland of Côte d'Ivoire instilled in Rotary Peace Fellow Kouame Remi Oussou a passion to resolve conflict. He is now working for the [United Nations Development Programme](#) in the Central African Republic, a country that weathered periodic internal fighting before a comprehensive peace accord took effect in 2007. [Read more about Oussou.](#)

[Rotary Peace Fellows](#) are leaders in promoting national and international cooperation, peace, and conflict resolution. [Help support the Rotary Peace Centers.](#)

### 5. Eradicate polio

Around the world, Rotarians are taking millions of steps in walkathons, diving into icy ocean waters, and participating in other fundraisers to help Rotary fulfill its promise to rid the world of polio. Si Burgher, of the Rotary Club of Bloomfield, Indiana, raised almost \$1,600 by having his shaggy eyebrows shaved.

Rotary launched its [PolioPlus program](#) in 1985. Since then, eradicating polio has been the organization's top priority. [End Polio Now](#) and help fulfill its promise.

# Rotary Foundation Grant Will Bring Clean Water to Wum

Thousands in Cameroon Village to Get Life-Line of Clean Water Thanks to Rotary-UVA Partnership and TRF Matching Grant

Partnering with the University of Virginia School of Engineering, the Rotary Clubs of Albemarle County, Blue Ridge Mountains, and Charlottesville are pursuing an ambitious goal of undertaking a three-year, three-phase project to bring clean water to the Village of Wum, in Cameroon.

Recently, Phase I of the project was completed. Upon the completion of Phase I of the Cameroon Water Project—the installation of 2.3 miles of the 6.5 miles to the Village of Wum, Cameroon—the people of Wum celebrated. When completed, the water line will be a genuine life-line because it will eliminate the 120 deaths—mostly children—caused each year by Tetanus and Dysentery.

Wum Village residents celebrate the completion of Phase I of the water line project.

exceptional and illustrates the District 7610's commitment to 'Service above Self.'" Dunnells said.

Rotarians in the Albemarle, Blue Ridge Mountains, and Charlottesville clubs are committed to ensure the continued success of the project. As a result of upcoming fundraising efforts, the clubs expect to raise \$15,000- \$20,000 to complete the additional piping requirements of the project. Partnering with the University of Virginia School of Engineering, the clubs have initiated a fund raising event, which will be held on March 14 2010. The event will entail a dinner, auction, and entertainment by the people of Wum Cameroon who reside in the United States, and will generate an expected revenue of \$15,000. This should be quite an event, with a guarantee that all in attendance will be expert traditional African dancers by the end of the evening. For more information about the project, please contact [Tom Dunnells](#).

Wum Village residents carry lengths of water pipe to be installed as part of Phase I of the TRF-funded project.

Two more phases of the project are required before the Village of Wum has clean water. Recent downturns in the economy threatened the project in 2009. The difficult economic times that many faced in 2009 are even worse in the economies of developing countries. Charlottesville Rotarian Tom Dunnells, who has championed and envisioned this project from its inception, realizes more than anyone what it will take to complete the project. "The Rotary Clubs of Albemarle, Blue Ridge, Charlottesville and District 7610 have stepped up to the challenge, and in partnership with engineering students from the University of Virginia, we are committed to the completion of all three phases of the Cameroon water project," Dunnells recently said.

District 7610 has assisted by committing additional District Designated Funds to compensate for the diminished funds available in 2009-2010 from the Rotary Foundation. "On behalf of the Rotary Clubs of Albemarle, Blue Ridge, and Charlottesville we wish to thank District Governor Horace McCormack, PDG Travis White, and all District 7610 Rotarians for their generous commitment to this important project. Your support has been

Current village water supplies are inadequate and unsafe, leading to 120 deaths per year, mainly among children.

# Ambassador Praises Rotary-Supported Surgical Project

## Guatemalan Ambassador Praises Rotary-Supported Organization for Bringing Quality Medical Care to Rural Villages

Recently, at a reception held on November 17, Partner for Surgery (PfS), an organization founded by McLean Rotarian Frank Peterson and his son, Todd, celebrated its eighth anniversary. With the support of several Rotary Clubs throughout the United States, including the Rotary Club of McLean, PfS collaborates with other medical organizations to locate, triage, and transport rural Guatemalan patients to receive medical services from teams visiting from North America.

Speaking at the celebration was Guatemalan Ambassador to the United States Francisco Villagrán de León, who praised the efforts of the Rotary-sponsored organization. Thanking the organization on behalf of the Guatemalan government, he said medical care provided by the organization filled "a critical void" in a country where many had no access to health care.

Beginning in 2006, and each year since, McLean Rotarians, with the assistance of matching funds from The Rotary Foundation and District 7610, have sponsored Rotary Foundation Matching Grants to purchase supplies and equipment that assist PfS in the delivery of its mission-critical medical and surgical services. In 2006-07, a container of surgical supplies helped facilitate over 2,000 surgeries. In 2007-08, two containers of surgical equipment, valued at more than \$600,000, formed the nucleus of a new surgical center dedicated to treating a rural population. In 2008-09, a four-wheel drive vehicle was purchased to gain better access and to afford better treatment and transportation to villagers. Currently, a Matching Grant is planned for 2009-10 that will purchase additional surgical supplies that will permit several medical teams from North America to provide care to patients.

At the November 17 reception, Todd Peterson related a story that demonstrated the impact of Rotary's support for Partner for Surgery. An elderly man blinded by cataracts made his way with his grandson's assistance to a surgical team in northern Guatemala. The medical team focused on eye problems, particularly cataracts. The man, who identified himself as Francisco, begged the workers to give him back his sight so that he could work at his farm and help his family again. The man had been afraid to have an operation because he thought it might kill him. But after he had tried to follow the sound of music to a recent festival and ended up lost, he had decided to seek treatment, he told workers. "He told his son he would rather die than go on living like this," said Todd Peterson. The man had no money to pay for an operation. He had not wanted to ask family or friends for aid, because he was unable to contribute to his family's livelihood, Peterson recalled. After

Francisco's operation, dozens of villagers gathered to see his bandages removed, and, "as he took in the world around him for the first time in 20 years, the man grinned and began to weep," Peterson said. "We were all crying. It was contagious."

Since its founding, PfS has overcome many obstacles such as patients' fears and limited access to medical care. When Peterson asked rural Guatemalan villagers why they didn't get treatment, he was told that no treatment was available. The indigenous people also thought hospitals were a place to die. Peterson contacted volunteer medical teams in the region and found that they were "terribly

Minnesota Rotarian and surgeon Rand Stolee performs laparoscopic surgery in the center supplied by equipment from a Rotary Foundation Matching Grant.

excited" about working with the rural population. So, he began working to connect them with people in need. When the first couple of patients came for treatment, "there was a big collection for a coffin" in the village, Peterson said. Prior medical care they had received gave the community the expectation that all patients die.

Now in its ninth year, PfS has facilitated medical attention for more than 30,000 rural Guatemalans, more than 5,000 of whom have received surgery thanks to PfS's efforts. Thirty-two surgical teams were supported in 2009, with many working in the surgical center supplied by a Rotary Foundation Matching Grant.

One of PfS's latest project is a program to feed children with cleft palates. Because of their lip deformities, these children often cannot breastfeed. "If they can't breastfeed, they're in dire circumstances," Peterson said,

noting that a day's worth of baby formula could cost as much as a week's worth of work. "A lot of babies with lip deformities simply don't make it through the first month." Peterson recalled a woman who brought in her 2-day-old son. "He had clearly not eaten since he was born, and he was slipping away from us," he said. Asked why she had not taken the child to a hospital, the woman said she expected him to die, she and wanted him to die at home. The baby had not been given a name.

A month after being brought into the program, the child was named, and in November 2009 he was given surgery to correct the deformity. "Because of your support, he's got a name, and he's got a future, and I thank you for that," Peterson said. [Web Site: <http://www.partnerforsurgery.org/>; E-Mail: [info@partnerforsurgery.org](mailto:info@partnerforsurgery.org)]

# Concert to End Polio Huge Success

## Letter from Former Polio Nurse and PHF, Jody Zogran, Reports on Itzhak Perlman's NYC Concert to End Polio

Hi Rotarian friends! The Itzhak Perlman concert at New York City's Avery Fisher Hall at the Lincoln Center for the Performing Arts on December 2nd, 2009 was a huge success!

Perlman played to a sold-out concert hall. Even the numerous balconies were full. The program opened with the New York Philharmonic playing the Prelude, which was 16 minutes long. A slight allowed late comer to be seated. Despite a rainy night, all came.

As soon as Itzhak Perlman walked on stage he received a standing ovation for several minutes. It really tore at everyone's heart to see this polio survivor swing his legs in braces in front of him by the strength of his upper body on crutches. His body movements were painful to watch. He sat in a chair on a small platform in front of the orchestra. After every selection he received thunderous applause. It was a magical evening. At the end, Mr. Perlman acknowledged three standing curtain calls that seemed to last for a very long time.

We (my husband and I) did not get to meet Mr. Perlman at the \$500.00-a-seat reception. The red velvet rope barriers did not allow gate crashers, although I secretly thought about it.

Prior to the concert, we met five female Rotarians who flew in from Michigan for the concert and flew back home early on the 3rd. That is real Rotary dedication. We felt proud to be with so many

Rotarians that sat in a reserved section on the main floor.

After the concert, with umbrellas hoisted high, we walked to Radio Music Hall to see their tree, then over to the Rockefeller Center to see the majestic tree brilliantly lit up with thousands of multi-colored lights. The tree lighting was that same evening. We also viewed Macy's Christmas windows, which never disappoint us.

All in all it was an exciting trip as only New York City can be.

Happy holidays, and may you all enjoy good health this season.

Best regards,  
Jody Zogran

# Three New Paul Harris Society Members

## Rotarians Pledge \$1,000 Annually to Support The Rotary Foundation for Years to Come

**Thomas "TJ" Fannon** of the Rotary Club of Alexandria, **Cherry Baumbusch** of the Rotary Club of McLean, and **Douglas J. Alcorn** of the Rotary Club of West Springfield are the three newest members of the District 7610 Paul Harris Society. Baumbusch became the twenty-first Paul Harris Society member in the McLean Club. Each have pledged to give \$1,000 to The Rotary Foundation for each year they are financially able.

Membership in the Paul Harris Society is open to all Rotarians who support The Rotary Foundation's mission to do good in the world. Donations qualify for initial and multiple Paul Harris Fellow recognition, Foundation

Recognition Points, and eligibility towards Major Donor recognition. Members of the Paul Harris Society receive a framed certificate of appreciation and PHS wings. Clubs with four or more PHS members receive a club banner with a gold plate recognizing each PHS member of that club, like the one pictured at left.

For more information about the Paul Harris Society, contact [DGE Ron Marion](#), who serves as the Chair of the Society. A pledge form and frequently asked questions are available on pages 29 and 30 of the [District 7610 Annual Giving Campaign Planning Guide](#).

# Simplified Grant Interim Reports Due

## Club Project Interim Progress Reports Due to Chair Ray Petniunas by January 4, 2010

If your club was a recipient of District Simplified Grant funds for the current 2009-2010 Rotary Year, Interim Progress Reports were due to have been filed by January 4, 2010 to [DSG Chair Ray Petniunas](#). Please ensure that your club files an interim report as promptly as possible. Timely filing of reports for all club projects

funded by District 7610's Simplified Grant from The Rotary Foundation helps District 7610 ensure that funds will be available next year, also. Your club and District 7610 risks ineligibility for future grants if reports are not timely filed. For a copy of the report form, please contact [DSG Chair Ray Petniunas](#).

# District 7610 Sets New Year-End Giving Record

## Downturn in Economy Spurs Record Level of Giving to The Rotary Foundation by District 7610 Rotarians

Mindful of the impact that the downturn in the economy has caused to persons in need, District 7610 Rotarians have responded with record-breaking generosity in their donations to The Rotary Foundation's Annual Programs Fund (APF) during the first six months of the 2009-10 Rotary Year. Donations to APF in December totaled \$87,259.77, breaking the previous single-month record set in June of 2009. The District also set a record for the first six months of giving by donating more than \$193,506.11, eclipsing the previous record of \$177,000 set in 2006-07. Our District per capita giving now stands at \$88.36.

"The critical needs of our communities and of the world have impelled record-setting giving among Rotarians in District 7610," District Governor Horace McCormack recently observed.

"This tremendous outpouring of financial support for The Rotary Foundation can allow District 7610 to support more simplified

grants for community service projects, and matching grants for international humanitarian projects, when fifty percent of these donations are returned to our district in Rotary Year 2012-13," District Rotary Foundation Chair Travis White said.

"Breaking records is a lot of fun," observed District Annual Giving Subcommittee Chair Scott Mills, "but the real benefit will be the increased number of humanitarian and educational projects that our clubs can fund with these additional donations. The increased level of generosity will help all District 7610 Rotarians realize The Rotary Foundation's mission to 'do good in the world.'"

"This success cannot make us complacent," Mills observed. "This momentum must propel us through the end of the Rotary Year, all the way to June 30. We have a long way to go before we meet our annual giving goals. We're only half way through the year. We have to keep up the hard work."

## Year-to-Date Club Annual Giving: Most Clubs On-Target to Meet 2009-2010 Annual Giving Goals

### Clubs On-Target to Meet Annual Giving Goals

North Stafford County-Garrisonville (1,854%)  
 Caroline County (238%)

 Dulles International Airport: \$135.93  
 Blue Ridge Mountains: \$112.21  
 Alexandria South: \$110.63  
 West Springfield: \$101.22

All zero-giving clubs are encouraged to send donations into The Rotary Foundation before the end of January.

# Trustees Approve Modification to Major Donor Recognition

## Changes Effective July 1 to Incorporate Arch C. Klumph Society into Major Donor Recognition Levels

The Rotary Foundation Trustees modified the Major Donor/Arch C. Klumph Society recognitions at their October 26-29, 2009 meeting. Effective July 1, 2010, Major Donor Level 4 will be recognized through \$249,999.99, and all levels at/above \$250,000 level will be recognized as three new levels within the Arch C. Klumph Society. The decision amends *The Rotary Foundation Code of Policies* section 16.020., paragraph 6 to read as follows, effective July 1, 2010:

The levels established for Major Donor and major gift recognition:

Level 1: US\$10,000 - \$24,999.99

Level 2: US\$25,000 - \$49,999.99

Level 3: US\$50,000 - \$99,999.99

Level 4: US\$100,000 - \$249,999.99

Arch C. Klumph Society: US\$250,000 - \$499,999.99

Arch C. Klumph Society: US\$500,000 - \$999,999.99

Arch C. Klumph Society: US\$1 million and above

Source: *Minutes of TRF Trustee Meeting of October 26-29, 2009*, p. 4, Item 18.

# Will Your Club Receive Governor's and Presidential Citations?

## Deadlines Quickly Approaching for Your Club to Meet 2009-2010 Presidential and Governor's Citations

Clubs with outstanding programs are honored annually by the RI President with the Presidential Citation, and by the District Governor with a Governor's Citation. **Both citations include requirements relating to The Rotary Foundation.** Now is a good time for your club to conduct a self-assessment to determine eligibility for these citations.

### RI Presidential Citation

To qualify for a Presidential Citation, a Rotary club must achieve the membership goal and complete an activity from three of the six categories listed in the [2009-10 Presidential Citation Brochure \(900A-09\)](#) (three activities in total). To certify the club's achievement, [the certification form](#) must be completed, signed, and

sent to the district governor for endorsement (do not send forms to Rotary International). [Awards Chair Hank Allen](#) must receive [the certification form](#) by March 31, 2010.

### District Governor's Citation

#### Membership:

+2 net increase in your club or 15% new members in your club plus any two of the following :

- 2 membership orientation activities
- 2 members attend the membership seminar
- 80% Retention rate for year

#### Public Relations or Public Image (any three of the following):

- Provide 1 article/photo published in any media by your club each quarter
- Write and circulate 3 press releases on events
- Install a Rotary sign, poster or bill board in your area

- Maintain an active Public Relations Chair over the year
- Sponsor or participate in, a major community event

#### Service Projects:

The following six categories reflect the priorities of the RI Strategic Plan 2007-10. To qualify for the 2009-10 Governor's Citation, clubs must undertake and complete an activity from three (3) of these categories (three (3) activities in total) between 1 July 2009 and 31 March 2010:

- Eradicate Polio
- Advance the recognition and Public Image of Rotary
- Increase Rotary's capacity to provide service
- Expand membership globally in both numbers and quality
- Emphasize Rotary's unique Vocational Service Committee
- Optimize Leadership talents within the District

#### The Rotary Foundation:

- 10% increase by your club over your four-year club average benchmark in Annual Program Fund giving (but not less than \$100 per capita)
- A +1 net increase by your club in any one of the following recognition categories: Paul Harris Society members, Major Donors, and Bequest Society members.
- Every Rotarian, Every Year (EREY)
- Conduct one training session on the Rotary Foundation
- Have 2 members of your club attend The Foundation Seminar and/or the Banquet
- Provide financial support for the Polio Eradication Program

The deadline for submission of [certifications](#) to [Awards Chair Hank Allen](#) is May 10, 2010.

- April 29-May 2** **District 7610 Conference and Family Fun Weekend, Kingsmill Resort and Spa, Williamsburg, Virginia**
- May 3** Inbound GSE Team from Jamaica (District 7020) returns home; outbound District 7610 GSE Team departs for Jamaica.
- May 3** District Simplified Grant final reports due to [Chair Ray Petniunas](#)
- May 10** **Deadline for most District Award Nominations to [Awards Chair Hank Allen](#)**
- May 14** Deadline to submit [World Peace Fellowship](#) (master's program) applications to [Chair Sally Lay](#)
- May 15** Deadline for District Governor to submit nominations for The Rotary Foundation [Citation for Meritorious Service](#)
- June 4-5** Zone 33 Foundation Training Seminar, Hilton North Raleigh, Raleigh, NC
- June 5** Outbound District 7610 GSE Team returns from Jamaica.
- June 30** Rotary Foundation [contribution](#) deadline for Rotary Year 2009-2010

**[Important Note:** The District Rotary Foundation Committee recommends that all contributions that are sent after May 30 be sent by overnight/next day delivery to ensure arrival and processing on or before June 30. To be counted among the contributions and club goals for the 2009-2010 annual giving campaign, any contributions sent by mail must be postmarked by June 30 and arrive by July 7. Past experience suggests, however, that most contributions that are postmarked after June 20 are credited to the next's year's giving, unless the sender obtains confirmation of receipt.]

# District 7610 Interim Annual Giving Report\*

Club Name (No. of Members)* (28 Clubs at or above 50% )	Annual Programs Fund (APF) Goal	% APF Goal Achieved	APF Per Capita Giving	APF Given in December	APF Given YTD	YTD APF Target : 50% (Where We Should Be as of 12/31/09 to Meet APF Goal)
