## Successful Rotary Walk Exceeds Goal

### Gainesville-Haymarket Club's Project Gains International Attention and Support to End Polio

The theme of Rotary International President John Kenny for 2009-2010 is "The Future of Rotary is in Your Hands." Well, apparently, it's also in some Rotarians' feet. Just ask those who participated in Rotary Walk 2009.

It all started a few months ago when some members of the Rotary Club of Gainesville-Haymarket, Virginia began challenging Rotarians across America and around the world to walk for any distance or length of time on October 24<sup>th</sup>, World Polio Awareness Day, to raise money for Polio Plus.

It wasn't long before clubs in Virginia, Maryland, and Washington, D.C. began signing up. By October 24<sup>th</sup>, there were

15 teams registered, including one in Costa Rica.

Of those teams, there were three organized walks. Team Costa Rica hiked a volcano. Team Leesburg-Daybreak Rotary Club set up a walk in Leesburg. And Team Rotary Club of Gainesville-Haymarket walked 24.6 miles to the Ellipse in front of the White House. Several Rotarians from other teams joined them for the final five miles.

To date, almost \$10,000 has been raised for Polio Plus because of Rotary Walk 2009. It means that more than 15,000 kids will receive polio vaccinations, which is no small feat.

These walkers paused in the rain on their way to the White House for a photo in front of the Lincoln Memorial.

A wet, but dedicated, group of walkers end the Rotary Walk on the Ellipse in front of the White House in Washington, D.C.

# RI Director-Elect John Smarge Kicks Off Foundation Month

## Herndon, Reston, and Piedmont Council of Rotary Clubs Host Director-Elect at Two Events

Rotary International Director-Elect for 2010-2012, John Smarge, helped kick off Rotary Foundation Month at separate events hosted by District 7610 Rotary Clubs on October 21 and 22.

On October 21, RIDE Smarge addressed a joint meeting of the Herndon and Reston clubs at a breakfast held at Hidden Creek Country Club in Reston. Then, on October 22, he addressed the Rotary Clubs of Charlottesville, Blue Ridge Mountains, and Albemarle County at a reception attended by almost 100, held at the Pavilion at The Boar's Head Inn in Charlottesville. RI Director-Elect Smarge's presentation was entitled "The Power of the Foundation...from the frontline."

During his presentations RIDE Smarge spoke about his time on the frontlines in India where he was a part of The Rotary Foundation's global mission to eradicate polio. Rotary International has been successful in eradicating approximately 95% of polio worldwide. However, the message behind Smarge's speech went beyond his experiences fighting polio. He challenged each of the members of Rotary to think about what Rotary means to them.

He invited Rotarians to use the Foundation to help support them in projects for which they are passionate. He explained that the Foundation is about more than just fighting polio, it is a tool to help ordinary people create extraordinary opportunities to help all of those who are in need. Rotary is merely a vessel for the Rotarians of the world to find others with similar goals and to help them to reach those goals. It is up to the Rotarians to utilize the tools that are available to them. One of the most important tools is the Power of the Foundation.

The reception in Charlottesville also had the opportunity to hear from Dr. Ulrich Klockenbrink, a current Ambassadorial

Scholar attending the University of Virginia Law School. Ulrich provided a first-hand look at the opportunities the Rotary Foundation provides through its many programs. Klockenbrink is clearly serving well in his role as an ambassador to the US from his home country of Germany. His presentation was just one

more reminder of how the Rotary Foundation is doing good around the world.

John Smarge will serve as Rotary International Director for Zones 33 and 34 (Southeast US and Caribbean) in 2010-2012.

L to R: DG Horace McCormack, Herndon President Tony Fulkerson, Reston President Dan Flavin, RI Director-Elect John Smarge.

L to R: RIDE John Smarge, Albemarle Club President Mike Russamano, TRF Ambassadorial Scholar Ulrich Klockenbrink, Blue Ridge Mountains Club President Karen Rogers, and Charlottesville Club President Jennifer King

# Purple Pinkie Project Pandemonium!

## Purple Pinkie Projects are Popping Up Practically Everywhere to Raise Money to Fight Polio

Responding to DG Horace McCormack's challenge for clubs to raise funds within their communities to help meet Rotary's \$200 Million Challenge to match a \$355 million dollar grant from the Bill and Melinda Gates Foundation, the Rotary Clubs of North Stafford County-Garrisonville and Stafford, with the cooperation of Stafford County Public Schools, launched [The Purple Pinkie Project](#).

The project educates the public about Rotary's global campaign to "END POLIO NOW" by dying pinkies purple in exchange for a contribution of \$1.00 to Rotary's global initiative to eradicate polio. In developing countries, when a child receives the polio vaccine pinkies are dyed purple to ensure that the polio vaccine is not accidentally administered twice to the same child.

The Rotary Clubs hosted information and Pinky Painting tables at each of the five community H1N1 (swine flu) vaccine clinics being held in Stafford County's high schools during October. Their efforts raised more than \$1,220 for polio eradication.

Two Stafford County Schools students proudly show off their purple pinkies at a joint Stafford RC-North Stafford County-Garrisonville RC polio project.

Other clubs across District 7610 have joined in the effort, including the Rotary Club of Annandale, which sponsored a Purple Pinkie

Project booth at the local Annandale Fall Festival on October 24, in honor of World Polio Awareness Day. The club was joined in the effort by the Rotaract Club of the Northern Virginia Community College Annandale Campus. The project raised over \$200 to fight polio.

L to R: Jessie Miller, DG Horace McCormack, and Allison Mika procured purple pinkies at the October 22 reception for RIDE John Smarge in Charlottesville.

Plans are underway between the Leesburg Club and its local Interact club to sponsor a project at Heritage High School in Loudoun County.

The Blue Ridge Mountains Club raised over \$70 by dying the pinkies of the Rotarians of Charlottesville as well as RIDE John Smarge and DG Horace MacCormack at the reception held October 22. This was a test-run of the project to inform club members that the local Rotaract club will be hosting its first major Purple Pinkie Project on February 4, 2010 at The Covenant School in Charlottesville.

On September 26, the Bailey's Crossroads Club held the annual drawing for their Classic Mustang raffle at the Mason Day event at Mason District Park. Interact students from JEB Stuart High School set up a Purple Pinkie booth next at the event. The Interactors raised over \$250 painting pinkies purple that day.

# Happy Foundation Month!

**A Time to Reflect on How We and Our Foundation Fulfill a Mission to Do Good in the World.**

The fact that November is Foundation Month in Rotary is no accident. November traditionally is a time for reflection, and as the calendar year winds down to a close, Rotarians often find themselves asking, "Have I done enough? What more can I do to help?"

Your simple gift to the Annual Programs Fund provides hope and opportunity to people worldwide, in nations where little hope and opportunity exist. If by your birth, you were born in a shanty, sent at the age of three to forage in the garbage dump for food to help feed the family, and were lucky to live long enough drinking contaminated water, what kind of a life could you expect to lead? Without an opportunity for basic education, how would you even know that another world existed outside of your realm?

UNICEF, one of our partners in the global eradication of polio, publishes the fact that over one-half of the world's population (three billion people) live on less than US\$2.50 a day. Too, we often hear in Rotary that most of us are quick to spend more than that on a cup of Starbucks coffee every day or we spend our money on something else that we really don't need. Maybe we can think about question number four on the Four-Way Test, "**Is it beneficial to all concerned?**"

The Rotary Foundation's mission is to **do good in the world**. You can do just that by making your gift to the Annual Programs Fund before 2009 comes to a close. By doing so, you will provide a source of

funding from which all Rotarians can work together to save lives and change lives through our Rotary Foundation.

**"The Future of Rotary is in Your Hands."** So is the life of someone in need. Concern yourself with being beneficial by being extraordinary this year. Make your annual gift today.

Thank you.

# November is Foundation Month

## Do You Know How The Rotary Foundation was Founded?

In 1917, RI President Arch C. Klumph proposed the establishment of an endowment "for the purpose of doing good in the world." In 1928, when the endowment fund had grown to more than US\$5,000, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

Five Trustees, including Klumph, were appointed to "hold, invest, manage, and administer all of its property . . . as a single trust, for the furtherance of the purposes of RI."

Two years later, the Foundation made its first grant of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into the Easter Seals.

The Great Depression and World War II both impeded the Foundation's growth, but the need for lasting world peace generated great postwar interest in its development.

After Rotary's founder, Paul P. Harris, died in 1947, contributions began pouring into Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

That year, the first Foundation program – the forerunner of Rotary Foundation [Ambassadorial Scholarships](#) – was established. In 1965-66,

three new programs were launched: [Group Study Exchange](#), Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called [Matching Grants](#).

The Health, Hunger and Humanity (3-H) Grants program was launched in 1978, and Rotary Volunteers was created as a part of that program in 1980. [PolioPlus](#) was announced in 1984-85, and the next year brought Rotary Grants for University Teachers. The first peace forums were held in 1987-88, leading to the [Foundation's peace and conflict studies programs](#).

Throughout this time, support of the Foundation grew tremendously. Since the first donation of \$26.50 in 1917, it has received contributions totaling more than \$1 billion. More than \$70 million was donated in 2003-04 alone. To date, more than one million individuals have

been recognized as [Paul Harris Fellows](#) – people who have given \$1,000 to the Annual Programs Fund or have had that amount contributed in their name.

Such strong support, along with Rotarian involvement worldwide, ensures a secure future for The Rotary Foundation as it continues its vital work for international understanding and world peace.

The 1916-17 Board of Directors: Arch C. Klumph, Allen D. Albert, F.W. Galbraith Jr., E. Leslie Pidgeon, Chesley R. Perry, and Guy Gundaker. Appeared in "The Rotarian," November 1966.

# 2009-10 Annual Giving Outpaces All Previous Years' Generosity

## District 7610 Rotarians Support Rotary Foundation's Mission to Do Good in the World

Support of our Rotary Foundation's Annual Programs Fund (APF/Share) makes a real difference in the world by enabling our clubs to leverage the giving power of more than 1.2 million Rotarians to fund community, vocational, and international service projects.

Even in a difficult economy, District 7610 Rotarians are doing an outstanding job in promoting annual giving to our Rotary Foundation. Among all districts in Zone 33 (DC, MD, NC, SC, VA, WV, and part of TN): District 7610 is Number One in Per Capita Giving, Number One in the number of Sustaining Members to date, Number Three in Total Giving, Number Five in annual giving (behind some districts that are *much* bigger); and we have the fourth highest percentage of improvement over the same period as last year among all districts in Zone 33.

The results of all your fantastic work are evident. **As of November 1, we are 36.46% ahead of annual giving for the same period last year, and we are 1.875% ahead of our record-breaking pace for Highest All-Time District Annual Giving set in 2007-2008.** Wow!

With a big push in November and December, we will be in a position to exceed \$400,000 in annual giving this year, and set a new District annual giving record. **Please don't become complacent. Make a big push in November and December.** Check out the interim Monthly Contribution Report to see where your club stands in achieving its annual giving goal for this year.

**We still do not have a winner in the "First Club" Challenge. It's up for grabs for any club that first reaches 100% of its annual giving goal and 100% Sustaining Members before April 1, 2010.** Details are on the District home page at [rotary7610.org](http://rotary7610.org) and in the August District Foundation Newsletter.

**All clubs are encouraged to forward contributions that clubs collected from dues invoices or by club foundations during the first quarter to The Rotary Foundation. Please forward these donations with a Multiple Donor Form (giving credit to each donor) to:**
