## **S**upport the Permanent Fund. This month's Rotary Foundation

Thought is about the **Permanent Fund**. The Permanent Fund ensures The Rotary Foundation's ability to meet the urgent needs of the future through an endowment. An endowed contribution is a gift that the Foundation holds in perpetuity. The gift is invested, and only a portion of its investment return is used for purposes specified by the donor. To guard against inflation, the remaining investment return is added to the principal. The goal is to ensure that the principal maintains its real value over time. Thus, gifts to the Permanent Fund will grow and continue to support The Rotary Foundation for years to come.

One of the many ways to support The Rotary Foundation is by including it in your estate plans. Many other Rotarians have, enabling our Permanent Fund to grow and providing long-term stability for Foundation programs. Arch C. Klumph, who conceived the idea of our Foundation in 1917, said it best: "We should look at the Foundation as being not something of today or tomorrow, but think of it in terms of the years and generations to come. Rotary is a movement for the centuries." Our investment in time, talent, and financial resources is an investment in making the world a safer and healthier place for our children and our grandchildren.

Support the Permanent Fund. You may become a Benefactor to The Rotary Foundation by making the Permanent Fund a beneficiary in your estate plans or by making an outright gift of \$1,000 or more to the Permanent Fund. Simply notify the Foundation, in writing, of your bequest. The form for this notification is available online at <http://www.rotary.org/foundation/development/recognition/benefactors.html>

"Each club is a link in the great chain of Rotary. When one club does a service for its community, every club glows with the reflected radiance." Chesley R Perry 1957 (extract from "The Rotary Life of Chesley Reynolds Perry" ©ROTARY/One Foundation 2006)

## **R**otary Foundation Alumni – An Invaluable Reserve. About 100,500 people have participated directly in the Foundation's programs. Of these Foundation alumni, 37,500 are former Ambassadorial Scholars (this figure includes some 180 Rotary World Peace Fellows), approximately 58,000 participated in Group Study Exchange (GSE), and close to 5,000 served as volunteers. The grand total includes approximately 15,700 Rotarians who participated as GSE team leaders, Rotary Volunteers, and the like who have become Rotarians. While we don't have accurate statistics, we estimate that only 3 to 4 percent of non-Rotarian alumni have joined Rotary. That's really unbelievable!

The cause of this significant flaw is sponsoring clubs and districts that do not follow through on the Foundation's generosity. Our alumni are part of the family of Rotary. RI President Bill Boyd has included in this year's Presidential Citation the challenge to invite at least one Rotary Foundation alumnus or alumna to join your club — an on-target decision and an example to be followed.

Ignoring our alumni is comparable to leaving the ripened crops in our carefully tended fields unharvested. We have invested time and money to help them get ahead in life and advance in their occupations.

Therefore, I urge you all to tap this great untapped reserve.

Sincerely, Luis Vicente Giay  
Trustee Chair, The Rotary Foundation, 2006-07
