## Momentum Already Building for Another Outstanding Year of Giving July and August were best start ever, exceeding last year's start by more than \$20,000!

Having completed more than 40 official visits to District 7610 Rotary Clubs, District Governor Ron Marion already is seeing momentum growing for another fantastic year of financial support for The Rotary Foundation's Annual Programs Fund.

"Rotarians are excited to grown and rebuild the financial resources of The Rotary Foundation. Giving during July and August of more than \$52,000 proves that Rotarians have renewed confidence that what we give now will be available in 2013-14 to support our clubs' community and international humanitarian service projects," said District Governor Ron.

"The momentum that is already building is fantastic. Our July and August totals exceed last year's record-breaking pace by more than \$20,000," observed District Rotary Foundation Chair and PDG Travis White.

Rotarians in District 7610 apparently already know what Governor Ron and PDG Travis know: Half of all the money we donate to Annual Programs Fund this year will be returned to our district in 2013-14 (in the form of District Designated Funds, or DDF) to fund our district's first year of participation in The Rotary Foundation's Future Vision Plan, which will allow our District to allocate up to fifty percent of the DDF to fund District Grants, which will be similar to District Simplified Grants. "District Grants will allow our clubs to fund more community service projects with the financial support of The Rotary Foundation, with local grant and program administration by our own district," said DRFC Travis White.

"The remainder of what we donate this year will be available through the World Fund to match our remaining DDF that funds Global Grants for sustainable international service projects, scholarships, and exchanges that benefit one of six areas of focus," DRFC Travis said.

The six areas of focus under the Future Vision Plan are:  
Peace and conflict resolution and prevention  
Disease prevention and treatment  
Water and sanitation  
Maternal and child health

District 7610 Rotarians are already riding the wave of momentum to another successful year of TRF annual giving.

Education and basic literacy  
Economic and community development.

"The Future Vision Plan truly is a blueprint for realizing this year's theme of Building Communities and Bridging Continents," said DRFC Travis.

You can help keep the momentum going *and growing* by making an early donation to The Rotary Foundation's Annual Programs Fund, which will help District 7610 meet its goal of \$225.85 in *per capita* giving and \$499,265.91 in giving to the Annual Programs Fund this year.

Donating could not be easier. Several options are available to make the process very easy:  
1. Sign up for **TRF-Direct** and make a monthly, quarterly, or annual contribution from your credit card or bank account.

2. Call The Rotary Foundation's Contact Center and make a credit card contribution over the phone. 1-866-9ROTARY (866-976-8279).

3. Fax your credit card contribution to The Rotary Foundation today using a **credit card contribution form**.

If you don't know your club or RI membership number call or email Annual Giving Chair **Scott Mills** (703.584.3257) for assistance.

## Paul Harris Society Members Continue to Fuel Annual Giving Growth

Three new members in August bring total PHS membership to 114 in District 7610; Goal of 140 in sight!

The Paul Harris Society of District 7610 counts among its membership some of the most generous, selfless Rotarians and friends of Rotary in our district. Members of the Paul Harris Society have pledged to donate at least \$1,000 to The Rotary Foundation Annual Programs Fund each year they are financially able. Many donate much more than that amount annually.

In August, three new members joined the ranks of these fellow Rotarians and friends of Rotary who now number 114 members. These newest Paul Harris Society members are:

- PDG Thomas Lloyd "Tommy" Neuman (Tappahannock)

- DGN Stephen K. "Steve" Cook (West Springfield) and
- Robert T. "Bob" Bishop (Fredericksburg).

Annually, donations from the 114 Paul Harris Society members help fuel District 7610's successful annual giving campaigns for The Rotary Foundation's Annual Programs Fund, and their donations represented more than twenty-five percent of all District 7610 donations to The Rotary Foundation in 2009-10. Members of the Society come from 34 clubs in District 7610. Please join the leadership of District 7610 in expressing sincere thanks to these 114 generous Rotarians and friends of Rotary who annually commit to financially support The Rotary Foundation's mission to do go in the world:

## Will Your Club Win The Second Annual First Club Challenge?

Challenge recognizes first club that is 100% Sustaining Member and meets its Annual Giving Goal

Henry Weinschenk, President of the Rotary Club of Blue Ridge Mountains, can tell you what it means to be the winning club in the District 7610 First Club Challenge. Last year, his club was the first club in our District to reach 100% Sustaining Member and to raise 100% of the club's annual giving goal before April 1.

This year, Henry's club is installing the eight-foot long steel Rotary park bench in a location of high visibility within the community. Henry, eager for the Blue Ridge Mountains club to be the 2010-11 First club, is already wondering where his club might install the second park bench, *if* they are successful in repeating last year's achievements.

Will your club be the first to meet the following elements by April 1, 2011?

1. Your club meets its Annual Giving Goal.
2. 100 percent of your club's members are Rotary Foundation **Sustaining Members**.

All clubs that qualify by April 1 will receive preferred seating for the Governor's Banquet at the District Conference in Gettysburg, April 7 to 10, 2011. The first club to achieve this distinction by April 1 will receive a special recognition

Congratulations to following Sustaining Members of the Rotary Club of Blue Ridge Mountains who qualified their club to be the first-ever District 7610 Rotary Foundation First Club in 2009-2010!

## Your Club Can Have a “Banner Year” in 2010-2011!

Club banner recognition opportunities offered by District 7610 and The Rotary Foundation

Clubs can qualify for five types of banner recognition during the Rotary year, including:

### Annual Club Achievement Banners

Three types of club recognitions are awarded annually at the conclusion of the Rotary year and are based on active dues-paying membership as of 30 June. The eligible clubs will be determined by The Rotary Foundation and the appropriate recognitions sent to the current district governor for presentation.

### 100% Rotary Foundation Sustaining Member Club

This recognition honors clubs in which every dues-paying member personally contributes US\$100 or more to the Annual Programs Fund during the Rotary year. Read more about individual recognition for [Sustaining Members](#). The following clubs achieved 100% Sustaining Member participation in 2009-2010: Caroline County, Manassas-Bull Run, McLean, Springfield, Stafford, West Springfield. Our best year ever!

### Every Rotarian, Every Year Club

This recognition is awarded to clubs that achieve a minimum US\$100 per capita from active dues-paying members and 100 percent participation with every active member contributing some amount to the [Annual Programs Fund](#) during the Rotary year. The following clubs had 100% EREY participation in 2009-2010: Alexandria, Bailey's Crossroads, Burke, Caroline County, Centreville, Charlottesville, Crystal City-Pentagon, Dunn Loring, Herndon, Manassas-Bull Run, McLean, Mount Vernon, North Stafford, Rappahannock-Fredericksburg, Reston, Springfield, Stafford, Tysons Corner, Vienna, West Point, West Springfield. Our best year ever!

### Top three per capita in Annual Programs Fund giving

Banners are given to the top three per capita giving clubs in each district. To be eligible, clubs must achieve a minimum \$50 per capita to the Annual Programs Fund. In 2009-2010, the top three clubs in per capita giving were: First Place: Rosslyn-Ft. Myer (\$881.47), Second Place: McLean (\$838.31), Third Place: Vienna (\$427.84).

### Additional Club Recognition Banners

Three additional banners are available to recognize and show appreciation to clubs for two additional achievements:

### 100% Paul Harris Fellows Club

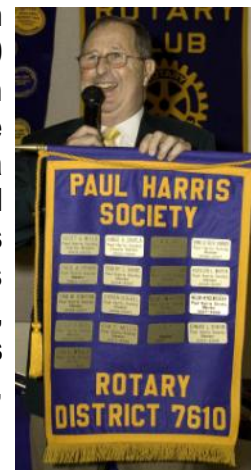

This banner recognizes the club's achievement of attaining 100% participation among all of its Active members as of a specific date. The banner is available only once from The Rotary Foundation; however, District 7610 annually recognizes each club that attains this distinction

with a banner. The following clubs in District 7610 have achieved 100% Paul Harris Fellows recognition: Kilmarnock-Irvington-White Stone (1999), Rappahannock-Fredericksburg (2001), Franconia (terminated club) (2002), Dulles International Airport (2005), Crystal City-Pentagon (2005), Caroline County (2005), Middlesex (Urbana) (2006), Stafford (2006), McLean (2008), Tysons Corner (2009), Bailey's Crossroads (2009), Warrenton (2010).

### Paul Harris Society of District 7610 Banner

District 7610 clubs that currently qualify for this achievement are: Bailey's Crossroads, Burke, Crystal City-Pentagon, Dulles Int'l Airport, Herndon, McLean, Reston, and Stafford.

## Foundation Quick Tip: Give a Thought for The Rotary Foundation

New list of Weekly Rotary Foundation Thoughts now available online at [Rotary.org](http://Rotary.org)

The new list of **Weekly Rotary Foundation Thoughts** is now available. This collection of brief, thematic commentaries is an effective tool to help Rotarians

learn how the Foundation is Doing Good in the World and to broaden participation in the EREY effort.

Club presidents are encouraged to open each meeting with a Foundation thought, ideally rotating the reading among club members. Here is a sample:

“When you hear the number 963 million, it’s difficult to get your head around it. But for the 963 million people who live with chronic hunger, it is not something they try to imagine but something they must try to survive. Malnutrition is the largest single contributor to disease; it imposes crushing economic burdens on the developing world. The Rotary Foundation is working to alleviate hunger and malnutrition. Many of the Matching Grants that the Foundation funds are for projects working toward the end of world hunger. Make your annual gift today.”

## 29,000 Recognition Points Still Available to Match Paul Harris Fellow Donations of \$500 or More

Limited-time offer of Recognition Points available for new and multiple Paul Harris Fellows

A very generous Rotarian contributed 30,000 Rotary Foundation Recognition Points to assist other donors in becoming new or multiple Paul Harris Fellows. The points will match donations of \$500 or more to the TRF Annual Programs Fund for new first-time or multiple Paul Harris

Fellows. 1,000 of these points were claimed the first week they were offered!

Points are available and are matched on a first-come, first-served basis.

To be eligible for the match, contribution checks, payable to “The Rotary Foundation,” along with the donor’s completed **Rotary Foundation Global Contribution Form** should be sent to **Annual Giving Chair Scott Mills**, c/o EBLG, 8405 Greensboro Drive, Suite 210, McLean, VA 22102. The donor must designate Annual Programs Fund on the Global Contribution Form. District 7610 donors are eligible.

Please make a contribution soon to ensure your club is not on the October "zero giving" list. Let's make sure all District 7610 clubs have made an APF and PolioPlus gift by September 30, regardless of the amount. Remember to send all first quarter contributions to TRF by September 30.
